Welcome to Peepo2Peepo (P2P)

Peepo2Peepo is a location based social media and social networking site that helps people find others to share activities with. Our real time GPS feature makes connecting with nearby members easy and fun. The members are listed from closest to furthest away from you as well as last active. Peepo2Peepo is available for download from the Apple App Store and Google Play, and is a free application.

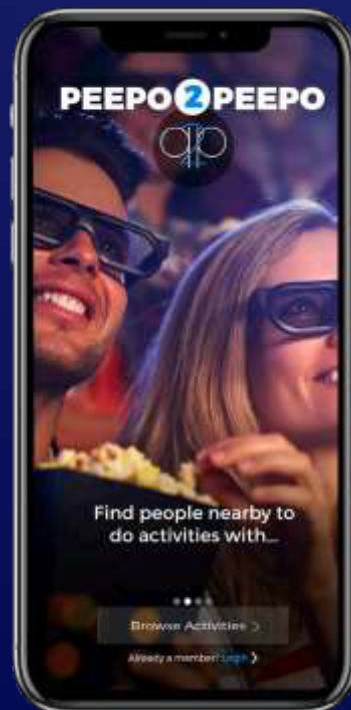

Download our Free Application

Peepo2Peepo is a global platform that simply brings people together to share the adventures and activities of their choice. As we go through life, our most powerful memories are the times spent with people creating experiences. The memories we make could truly last for the rest of our lives. Memories with like-minded individuals make up the majority of our memories. With P2P you can post or respond to single or group activity requests, view member profiles, photos and videos and Live stream in real time.

Biography:

Christian Peters is the founder and CEO of Peepo2Peepo, a global platform that simply brings people together to share the adventures and activities of their choice. Peepo2Peepo is a location based social media and social networking site that helps people find others to share their activities with. Peepo2Peepo is engineered to become a global phenomenon. Christian is a serial entrepreneur of over 20 years and is a celebrated Real Estate Developer, Restaurateur, Financier, Author and Tech Entrepreneur. All of Christian's personal and professional experiences helped shape his core belief that people who share activities, create unforgettable memories.

Features

- Peepo2Peepo "Activities" feature allows members to post activities for other members to review and reply "I'd Go". Members can see how many other members accepted their activity post, and can private message any or all of them. Members can also leave comments and reviews.
- Peepo2Peepo Messenger lets members send private messages to each other. This is a great way for members to organize a meeting for an Activity.
- Peepo2Peepo members can Live Stream Activities.
- Peepo2Peepo members can post and share pictures and videos in their profile.
- Peepo2Peepo members can send and receive "Following" requests to members they find interest in. The number of members following you, and the number of members you are following will be displayed on your profile.
- Peepo2Peepo has a "Nearby" member function as well as a "Last Active" member function that you can turn on or off at anytime.

Testimonials

It doesn't take up too much space of my device!!! great for having fun time with the best buddies. Expecting new features soon...

Marcus Dunfield

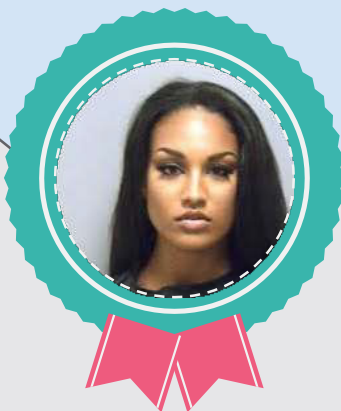

I am highly impressed with the slick & easy-to-use features of Peepoo2Peepo app. It helps me to post activities for other members to review and reply and I can send private messages to the people with whom I want to make sure to engage with consistently. Peepo2Peepo is worthy to download!!!

Kelsey Hughes

"Peepo2Peepo users can connect with friends from all over the world, post status updates, upload images and videos, but what I like most about this app is the personalized experience it offers. Will give 5 stars..."

Natalie Blackwell

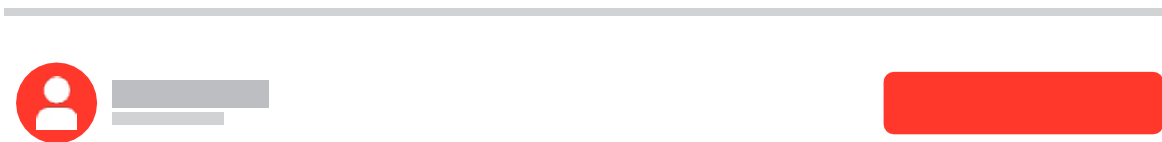

"Useful for networking in a unique way if you are bored with other stereotyped apps. The Live Stream Activities function of this app is simply flawless. Private message is simply amazing. Surely recommend to try out Peepo2po!!"

Alex McKenna
